- Identifying various types of learning challenges
- Identifying and supporting learners with special needs
- Managing behaviour of special need children
ADHD, Autism, Down Syndrome, Cerebral Palsy

Primary STEM

- Air, Water & Weather
- Food and Health
- Germination in Plants
- Leaves
- Light
- Living and Non-living Things

- Soil and Rock
- Sound
- States of Matter
- Activities for Pre-primary students

****Microteaching at the end of the course**

COURSE DURATION: 6 MONTHS

COURSE OVERVIEW

The International Post Graduate Teaching Diploma (IPGTD) is a 6-month blended program by Asian College of Teachers (ACT), combining three weeks of in-class training with flexible self-paced learning. Designed for educators at pre-primary, primary, and secondary levels, the program covers AI in education, child psychology, and modern teaching methodologies. It equips teachers with the skills required for 21st-century classrooms, preparing them to become globally competent educators.

COURSE CERTIFICATION

The International Post Graduate Teaching Diploma (IPGTD) follows a dual certification process that recognizes learners at every milestone. After completing the 3-week in-class component, participants are awarded the International Teaching Diploma (ITD), an interim certificate that supports professional recognition and career growth. On successful completion of the full 6-month program, including the self-paced modules, learners receive the final IPGTD certificate along with a detailed transcript. Please note that transcripts are only issued at the final certification stage.

COURSE CURRICULUM

In-class Curriculum

- Characteristics of Young Learners; Educational Psychology; Theories of Learning
- Approaches to ECCE, Fostering Creativity
- Warmers / Context Setting / Language development through Basic Lesson

INTERNATIONAL POST GRADUATE TEACHING DIPLOMA (IPGTD) – IN CLASS

- Bloom's Taxonomy, Multiple Intelligences, Board Management, Classroom Management
- Storytelling Trainer Demo, Numeracy & Numeracy Lesson Plan demo by Trainer
- SEN / SEN Lesson Plan Briefing
- Phonics/Music & Learning
- SEN (Lesson Presentation by Students)
- STEM & Instructional Strategies
- Storytelling (Presentation by Students)
- VOLT (21st Century Contemporary Classroom /Facilitating Learning)
- Numeracy Lesson Students Presentation / Update Creative & Material Folder
- Montessori Method / Presentation by Trainer on Cross Curricular LP (Innovative LP)
- Assessment & Evaluation, Action Research/Reflective Practitioner
- Presentation of Montessori Apparatus by students (individually)
- Project Based Learning / Activity based on PBL
- Cross-curricular Lesson Presentation by students (Innovative Lesson Plan) / Closure Teaching Practice

SELF-PACED CURRICULUM

Module 1: Child Psychology

- Freud's Psychosexual Child Development Theory
- Erikson's Psychosocial Development Theory
- Piaget's Cognitive Development Theory
- Vygotsky's Theory
- Social Learning Theory

Module 2: Creative Approaches to Teaching & Learning

- Observation
- Narration
- Discussion
- Explanation
- Questioning
- Demonstration
- Application
- Experiments
- Discovery Learning
- Feedback
- Graphic Organisers and Visualisation
- Grouping
- Checklists
- Product Descriptors and Rubrics

Module 3: Secondary Teaching Methods

- Challenges of Today's Secondary Schools
- Classroom Environment
- Curriculum & Instructional Planning (Lesson Plans)
- Assessment – Formative, Summative, Traditional, Alternative

INTERNATIONAL POST GRADUATE TEACHING DIPLOMA (IPGTD) – IN CLASS

- Challenges of Today's Secondary Schools
- Classroom Environment
- Curriculum & Instructional Planning (Lesson Plans)
- Assessment – Formative, Summative, Traditional, Alternative

Module 4: Artificial Intelligence & ChatGPT for Educators

- The Evolution of AI in Education
- Teachers preparing students for a future filled with AI tools
- AI Tools as Transformative Assets
- How to help students use tools like ChatGPT responsibly and not to cheat?
- ChatGPT- Navigating Progress and Predicaments in Education
- Application of ChatGPT and Artificial Intelligence in Elementary Education
- Application of ChatGPT and Artificial Intelligence in Middle-School Education
- Application of ChatGPT and Artificial Intelligence in Secondary Education
- Application of ChatGPT and Artificial Intelligence in Higher Education
- Impact of ChatGPT on Human Educators

2 Doubt Clearing Sessions with Trainers/Tutors

COURSE DURATION: 12 MONTHS

COURSE OVERVIEW

The Post Graduate Diploma in Education and Teaching (PGET) is a well-rounded program crafted to address the evolving needs of senior educators and teaching professionals across schools, colleges, and diverse educational settings. Whether your goal is to sharpen teaching skills, gain a competitive advantage in the education sector, or master innovative methodologies for secondary and higher education, this program is tailored for you. Offered in a flexible online format, it provides an excellent opportunity to strengthen your professional expertise under the guidance of experienced tutors and trainers with deep academic and practical insights.

COURSE CERTIFICATION

On successful completion of the Post Graduate Diploma in Education & Teaching (PGET), participants are awarded a globally recognized certification from the Asian College of Teachers.

COURSE CURRICULUM

Module 1

- Phase 1: Principles of Education
- Phase 2: Teaching Strategies
- Phase 3: Innovation in Teaching
- Phase 4: Behavioural Management
- Phase 5: Digital Literacy: 21st century classroom
- Phase 6: Advanced Pedagogy and Project Method

POST GRADUATE DIPLOMA IN EDUCATION AND TEACHING (PGET)

Module 2

- Phase 7: Andragogy – Facilitation learning for adults
- Phase 8: Curriculum Issues in Administration
- Phase 9: Educational Supervision
- Phase 10: Identifying and supporting learners with special needs (LD, ADHD, Autism)
- Phase 11: Assessments and Evaluation
- Phase 12: Evaluation of Teaching and Learning

Module 3

Micro Teaching/Teaching Practice

COURSE DURATION: 12 MONTHS

COURSE OVERVIEW

The PGET with Focus Awards Level 3 AET (RQF) is a dual qualification designed for both new and experienced educators. Combining advanced pedagogy with foundational teaching principles, it builds expertise in inclusive teaching, assessment, and professional growth. Alongside the Post Graduate Diploma, learners earn an Ofqual-regulated Level 3 Award in Education and Training, gaining global recognition, credit-bearing qualifications, and career opportunities in schools, colleges, corporate training, and professional development worldwide.

COURSE CERTIFICATION

This program provides dual certification. On successful completion, participants receive a globally recognized PGET certificate from Asian College of Teachers (ACT), strengthening their professional credentials and career opportunities. In addition, learners are awarded a Focus Awards certificate with earned credits, further enhancing their academic and career progression.

COURSE CURRICULUM

Module 1

- Phase 1: Principles of Education
- Phase 2: Teaching Strategies
- Phase 3: Innovation in Teaching
- Phase 4: Behavioural Management
- Phase 5: Digital Literacy: 21st century class room
- Phase 6: Advanced Pedagogy and Project Method

POST GRADUATE DIPLOMA IN EDUCATION & TEACHING WITH FOCUS AWARDS L3 AWARD IN EDUCATION AND TRAINING (RQF)

Module 2

- Phase 7: Andragogy – Facilitation learning for adults
- Phase 8: Curriculum Issues in Administration
- Phase 9: Educational Supervision
- Phase 10: Identifying and supporting learners with special needs (LD, ADHD, Autism)
- Phase 11: Assessments and Evaluation
- Phase 12: Evaluation of Teaching and Learning

Module 3

Micro Teaching/Teaching Practice

Focus Awards Level 3 Award in Education and Training (RQF)

Mandatory Units

Unit 1

Understanding roles, responsibilities and relationships in education and training- Credits 3

Unit 2

Understanding and using inclusive teaching and learning approaches in education and training- Credits 6

Unit 3

Understanding assessment in education and training- Credits 3

COURSE DURATION: 12 MONTHS

COURSE OVERVIEW

The Post Graduate Diploma in Education and Teaching (PGET) with OTHM Level 4 Diploma in Education and Training Management is a dual certification program designed to develop advanced teaching skills and leadership expertise. COURSE CURRICULUM

Core Components

Semester 1: Principles of Teaching

- ✓ Principles of Education
- ✓ Educational Psychology and Theories of Learning
- ✓ Different Teaching Methods/Approaches for YL & AL
- ✓ Teacher as facilitator- monitoring & motivation

Semester 2: Teaching Strategies

- ✓ Lesson planning and instructional strategies
- ✓ Assessment and evaluation in differentiated learning
- ✓ Inclusive Classroom management with emphasis on special education needs
- ✓ Resource and material Development
- ✓ Language learning VS acquisition

1-YEAR INTERNATIONAL DIPLOMA IN EDUCATION, TEACHING & LEARNING

For Semesters 3 & 4 trainees can choose any 2 specialized subjects

ECE (Early Childhood)

- ✓ Introduction to ECC
- ✓ Stages of development
- ✓ Factors affecting early childhood
- ✓ Helping early childhood learners settle down in school

MTT (Montessori)

- ✓ Maria Montessori – philosophy, methodology, psychology
- ✓ EPL & Sensorial
- ✓ Language and Maths in Montessori school
- ✓ Art and craft for young learners

NTT (Nursery)

- ✓ Introduction to teaching young learners
- ✓ Importance of play and play way approach
- ✓ Child, health & nutrition
- ✓ Self-awareness

PSTT (Primary & Secondary)

- ✓ Language learning VS acquisition
- ✓ Project method
- ✓ Grammar & phonology
- ✓ Integrating technology in the classroom

SEN (Special Educational Needs)

- ✓ Identifying various types of learning challenges
- ✓ Identifying and supporting learners with special needs
- ✓ Managing behaviour of special need children
- ✓ ADHD, Autism, Down Syndrome, Cerebral Palsy

**You can either opt for Teaching Practice or Alternative Assignment at the end of your course.*

COURSE OVERVIEW

Asian College of Teachers, one of the leading teacher education institutions, has designed a range of TEFL courses which make the aspiring TEFLers competent in English teaching methodologies and classroom techniques providing them with a deeper insight into EFL/ESL teaching. Our TEFL courses are offered at different levels for those who are interested in teaching English abroad and build an exciting career in the field of TEFL/TESOL. The trainees gain a thorough understanding of TEFL which gives them the confidence to teach anywhere around the world and get familiar with the guidelines about teaching kids as well as adults which boost their professional teaching career. The progress of the trainees is closely monitored throughout the course followed by a detailed assessment by the skilled trainers/tutors of ACT.

PICK ANY COURSE

We, at Asian College of Teachers have designed a broad range of online TEFL courses: -

- ✓ 120-hour Certificate in TEFL is of 4-month duration
- ✓ 220-hour Diploma in TEFL is of 8-month duration
- ✓ 280-hour Advanced Diploma in TEFL is of 12-month duration
- ✓ 400-hour Post Graduate Diploma in TEFL is of 18-month duration
- ✓ 500-hour Advanced Post Graduate Diploma in TEFL is of 20-month duration

TEFL COURSE

The CPD Certification Service UK certified courses are internationally recognized and will provide trainees with an extra edge when it comes to bagging better teaching jobs across the globe. The courses offer enough flexibility and can be pursued from any corner of the globe in either online or distance mode. The courses equip the teachers with the current methodologies and the latest skills and help to bring in the creativity and innovation in their teaching in a constructive environment.

Asian College of Teachers also conducts 3-week TEFL in-class courses in different locations in India and in Bangkok, Thailand. Students can also opt online or live online TEFL courses in which the students can participate from any corner of the globe.

COURSE DURATION: 4 MONTHS

COURSE OVERVIEW

The program is aimed to develop and enhance the administrative skills of teachers as they move out of their specific domains and take up management roles. It has been specifically designed for those interested in or already associated with the administrative division of educational institutions.

COURSE CERTIFICATION

Asian College of Teachers (ACT) is proud to hold accreditations and memberships from several prestigious international bodies, ensuring the global recognition and quality assurance of its programs.

ACCREDITATION SERVICE FOR INTERNATIONAL SCHOOLS, COLLEGES AND UNIVERSITIES (ASIC)

ACT is accredited by ASIC, UK, a globally respected body recognized by UKVI and affiliated with international quality networks like BQF (British Quality Foundation) and EDEN (European Distance and E-Learning Network). ACT has been awarded Premier status for its commendable commitment to educational excellence.

EDUCATION QUALITY ACCREDITATION COMMISSION (EQAC)

ACT has received accreditation from EQAC, which certifies that our institution meets the highest standards of educational quality and effectiveness in training delivery.

CPD CERTIFICATION SERVICE UK

Our CPD programs are accredited by the CPD Certification Service, UK, ensuring that the content aligns with industry standards, global benchmarks, and best practices in continuing professional development.

INTERNATIONAL ASSOCIATION FOR QUALITY ASSURANCE IN HIGHER EDUCATION (QAHE)

All ACT programs are also accredited by QAHE, an international body that promotes high standards in higher education and lifelong learning.

BSI CERTIFICATE OF REGISTRATION

At Asian College of Teachers, we have established a system of policy statements, operating procedures, and work instructions to ensure the highest quality of services for our external customers (training participants) and maintain top-tier training standards.

ACCREDITATIONS

INTERNATIONAL EDUCATION ACCREDITATION COUNCIL (IEAC)

Asian College of Teachers (ACT) has earned full accreditation from the International Education Accreditation Council (IEAC) with a prestigious 5-star rating. The recognition spans Governance, Teaching & Learning, Student Welfare, Academic Programs, and Quality Assurance—affirming ACT's dedication to world-class teacher education. This milestone further enhances the institution's global credibility and academic excellence. The IEAC, an independent UK-based body led by international education experts, upholds rigorous standards to foster continuous improvement in member institutions.

TESOL CANADA

ACT TEFL courses are accredited by TESOL Canada, the national body for TESOL certification in Canada. ACT also offers the opportunity to sit for the TESOL Canada Board Exam, qualifying candidates for internationally recognized TESOL credentials.

WORLD CERTIFICATION INSTITUTE (WCI)

Asian College of Teachers' highly regarded International Post Graduate Teaching Diploma (IPGTD) program is accredited by the World Certification Institute (WCI), a global certifying body that awards credentials and accredits courses offered by over 700 institutions and universities worldwide. WCI is a Global Authority on Occupational Certification, recognizing cross-national skills, competencies, and professional practices based on internationally accepted best practices. This accreditation ensures that the IPGTD program meets global standards of teaching excellence.

COLLABORATIONS/ PARTNERSHIPS

THE BOARD OF OPEN SCHOOLING AND SKILL EDUCATION (BOSSE)

TTA Training Private Limited is an accredited institute and study centre of BOSSE (Board of Open Schooling and Skill Education), Sikkim, authorized to guide students in various open learning programs. BOSSE is recognized by NIOS (Ministry of Education, Govt. of India) and holds AIU equivalence for higher education and employment, offering flexible academic and vocational pathways up to the pre-degree level.

EUROPASS

Asian College of Teachers (ACT) has partnered with Europass Teacher Academy, Europe's largest provider of teacher training, to offer internationally recognized programs in multiple learning modes. These courses help educators enhance their English skills, teaching strategies, and global teaching competence. Europass, with 20,000+ educators trained, is a leader in face-to-face and online CPD, connecting teachers worldwide through innovative and collaborative learning.

EUROPEAN INTERNATIONAL UNIVERSITY

Asian College of Teachers (ACT) partners with European International University (EIU-Paris) to offer Master's programs that enhance teaching skills and pedagogical understanding. EIU-Paris is a private, internationally accredited institution, quality-assured by the French Ministry of Higher Education and ASIC, UK.

EAST BRIDGE UNIVERSITY

East Bridge University (EBU) is a private, independent online institution operating under the French Education Act. Established in 2021, EBU offers affordable, flexible degree and diploma programs designed for working professionals. With a focus on Business, Education, Teaching, and Management, EBU provides a range of career-focused pathways including Diplomas, PG Diplomas, Bachelor's, Master's, and Doctoral programs.

PSB UNIVERSITY CAMBODIA

Asian College of Teachers (ACT), in collaboration with PSB University, Cambodia, offers B.Ed. and M.Ed. programs. PSB University is a public institution recognized by the Ministry of Education, Youth and Sports and operates under the Ministry of Cult and Religions. With royal patronage and academic excellence, PSB serves over 1,600 students across multiple faculties.

MICROSOFT CERTIFIED EDUCATOR

Asian College of Teachers (ACT), a leader in teacher education in Asia, has partnered with Microsoft to launch the Microsoft Certified Educator program. This professional development initiative aims to bridge the gap between technology skills and innovative teaching in the 21st-century classroom. The Microsoft Certified Educator (MCE) certification confirms that educators possess the global technology literacy competencies essential for creating an effective learning environment for students.

EAST BRIDGE TRAINING

Asian College of Teachers (ACT), in collaboration with East Bridge Training (EBT), Dubai, offers a range of KHDA-approved teaching courses for aspiring and experienced educators. This partnership ensures globally recognized, industry-relevant training focused on modern pedagogy, leadership, and classroom strategies. With KHDA-certified qualifications, educators gain international credibility and enhanced career opportunities in schools and training institutions worldwide.

MEMBERSHIPS

CPD MEMBERSHIP SERVICE UK
